Vanguard Deluxe Chair

The Vanguard Deluxe chair provides everything that you have ever wanted in an office chair, plus a whole lot more. Offering ultimate comfort combined with smart technology the Vanguard Deluxe is not short on features, with its breathable mesh back and moulded foam seat, along with a polished aluminium base and heavy duty castors, adjustable 3D armrests and weight sensing synchro-mechanism. The Vanguard's most notable feature is the pull out footrest which turns the already comfortable chair into the lounge you have always wanted to work in. With a 10 year warranty, you know that you're investing in a quality product that will make the perfect addition to any office space.
