

BLINKY

Multi-Directional Recessed Module

BLINKY is the latest in-desk innovation from CMS Electracom specifically suited to shared, open and conferencing spaces.

BLINKY stylishly recessed into the surface providing 360° access to three GPOs with the option of 30W USB Type-C/A PD fast-charging for tablets, smartphones and even some laptops.

FEATURES & BENEFITS

- Stylish design solution incorporating 3 GPOs and/or 30W Type-C/A USB PD fast-charging
- Outlets feature a push-fit shutter design preventing dust and grime build-up
- Available with either a 3-pin plug or softwiring TAG lead for daisy chaining.
- Simple circular cut-out for fast installation
- Available in White and Black as standard
