

Autex Vertiface Mobile Pinboard

Our Vertiface Mobile Pinboard provides superior durability and practicality. Ideal for schools or offices, the commercial-quality double-sided pinnable surface is mounted on an easily movable frame. The board is 100% recyclable due to the polyester surface, which is easily pinnable and accepts Velcro – making it ideal for learning environments. The powder-coated steel frame provides excellent stability and features quality locking castor wheels allowing you to easily move the board from room to room. A huge range of surface colours are available for you to find the perfect board for your space.
