

Specification Sheet:

Bianca Mesh Chair

The Bianca Mesh Chair is a quality feature-packed office chair at a great price! The conforming tilt mechanism and easy-to-use gas height adjustment pedal put you in full control of your comfort, while the extremely breathable and comfy mesh backrest keeps you cool throughout the workday. Plus, the strong fixed arm rests, soft high density foam seat and silver and carbon fibre effect on the backrest give the Bianca a high end feel. This exceptional chair will easily fit into any office workplace, and with a 3 year warranty attached you get both value and peace of mind.
