

Vista Seating Range

Product **Specifications**

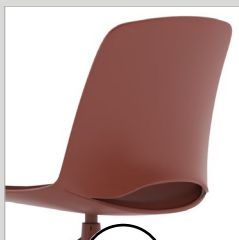

Vista Seating Range.

Introducing the Vista Seating range – a practical and versatile solution for any office setting. With four distinct models to choose from – Swivel, Glide, Pivot, and Rise – we've got your meeting rooms, breakout areas, and conference spaces sorted.

For those looking to maximize space efficiency, the Vista Glide is your go-to choice. Stackable up to 15 chairs high or 10 chairs high on a link trolley. Set up and pack down has never been faster or easier. Alternatively, when you need a bird's eye view of the office cafeteria, you're able to sit up tall with the Vista Rise.

A 360-degree range on both the Swivel and Pivot models means that you can easily turn your life around. Both chairs feature a contoured seat and backrest in your choice of upholstery colour. While the Pivot has four fixed legs, the Swivel comes with a sturdy nylon 5-star base and 60mm castors on each foot. Taking functionality a step further, the Swivel features ergonomic armrests for additional comfort during long workdays. On top of their impressive 140kg weight rating, the entire Vista range is covered by industry-best 10-year warranty.

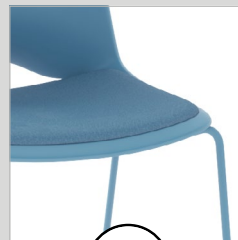

Key Features

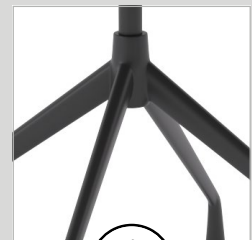

A. Moulded Seat & Back
Single moulded polypropylene shell is comfortable, robust, easy to clean and is available in multiple colours.

B. Fast Assembly
Includes required tool 'bits' and configured to make assembly time even faster.

C. Seat Upholstery
Glide & Rise can be upgraded with moulded foam and upholstered with premium fabric in matching colours. Comes standard on Swivel and Pivot.

D. Strong & Durable
Constructed from strong, rigid, steel frame provides 140kg weight rating that is very light and easy to carry.

Vista Seating Range.
