# Flow Chair.

Discover the Flow – where durability meets stylish function in perfect harmony. This premium task chair is engineered as the perfect workstation companion, meeting room seating or executive centrepiece.

Sporting a premium gas lift and a rugged, yet stylish, nylon 5-star base sitting on top of 60mm castors, the Flow chair boasts an exceptional 160kg weight rating and impressive durability. This is all backed by OLG's industry-best 10-year warranty.

Your well-being matters, and the Flow chair understands that. A fully-integrated, weight-activated tension, synchronous tilt mechanism and 4D adjustable armrest means that the perfect position can be achieved, regardless of your height or body type. The moulded backrest comes with lumbar support as standard, while the lightweight, elasticized mesh backrest provides breathability and dynamic support throughout your workday.

Elevate your workspace with the Flow task chair – a versatile and meticulously designed solution that combines strength, style, and ergonomic support for a truly exceptional seating experience.

## Key Features

### A. Mesh-Wrapped Backrest

High quality, flexible mesh-wrapped backrest with fixed lumbar provides ergonomic support for all day comfort.

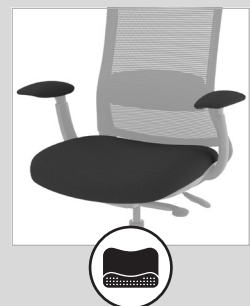

### B. 4D Adjustable Arms

Armrests can be adjusted 4 separate ways by 3 different pivot axes and also height adjustable.

### C. Synchro Tilt Mechanism

To ensure a smooth adjustment, an intuitive synchro mechanism tilts the seat as the back reclines.

### D. Moulded Foam Upholstered Seat & Armrests

Seat and armrest have upholstered moulding foam for additional comfort.
